ANNUAL REPORT 2018

1. OVERVIEW

Thank all of those who donated through 2018. Thank you all for supporting our project.

MJFFC: MJFFC is the charity name for all of the things we do. It is run entirely by un-paid volunteering Michael Jackson fans. Currently 100% after transaction fees of the money giving through PayPal Giving fund goes into the beneficiaries pot. Standard monthly PayPal donations from members of our main project is subject to a 5%+5p a negotiated rate obtained by PayPal to make lower valued donations, such as the £1, go further. Any additional UK Gift Aid that we can claim back from the UK government is used for admin and fundraising, but all of our volunteers remain unpaid and cover all of their expenses. This maximises the amount of money we can give to a different beneficiary as a group each month.

The ‘Michael Jackson Monthly Giving’ Project (MJMG) is the main initiative from MJFFC. This is the project that takes in monthly donations from fans and has been growing every month. When a fan donates one-off payments to MJFFC, this goes into the same pot as the monthly donations and they act as a top-up to the main monthly donation.

2. OUR DONATIONS TO CHARITIES

Each month we tally together all of the donations made to us from a variety of sources. We are pleased to announce that for 2018 we raised £3,013.62 for various charities.

Total Donations Received = £3,013.62

3. DIRECTOR SUMMARY

Again I would like to thank all of those Michael Jackson fans that have stuck with the project for so long and continue to donate monthly. None of this is possible without your help.

As many of you know, this MJ Tribute charity project is run by very few people in their spare time, so we appreciate any assistance as we continue through our amazing journey!

In 2018 we applied to become registered with the UK Charity Commission as a CIO. Unfortunately our claim was rejected mainly due to the issue of charitable purposes. Where it is deemed that raising money for other charities is not exclusively charitable. We hope to be looking into this further through 2019 and beyond. It may even be the case that due to the way our charity works, it will not be possible to register with the commission, we are however looking into various ways to approach this. Thank you for your patience!

Towards the end of 2018 we announced the change of allowing members to not only vote for charities, but also for other beneficiaries. This list of beneficiaries includes charities, groups and public personal appeals.

If you have any feedback for us, WE LISTEN! You can provide feedback here:

ALL you need is LOVE and all we need is your continued support.

Thank you.
